June 2017

Volume 2, Issue 6

A publication from the Little Miss Alpha Kappa Alpha (LMAKA) Steering Committee, Alpha Kappa Alpha Sorority, Incorporated®, Omicron Chi Omega Chapter, Woodbridge, VA and the Ivy Foundation of Greater Prince William County, Incorporated®

From the 2017 Co-Chairmen

Greetings LMAKA participants and families,

We have seen a glimpse of the future and it is bright! Our participants have truly allowed us to envision each of them as they took steps during their introductions at the Family Tea on May 7th. They intently listened to the words of a very wise young entrepreneur, Jelani Jones, who encouraged them to step out and do whatever they can imagine. She was inspirational to us all. The very busy rehearsal on May 20th was more evidence of the future as participants were introduced to coding, practiced for the pageant and told us what she hopes to step into as time progresses. We are among future designers, graphic artists, veterinarians, and the President of the U.S just to name a few.

The pageant on June 11, 2017 promises to be another step forward as the participants take the stage and express how far they have come since our initial meeting at the January Kick-Off. We are ready to demonstrate for family and friends as participants affirm that they are indeed the promise of our future.

We sincerely hope that this experience will be one that is treasured by parents and participants alike. The members of The Ivy Foundation of Greater Prince William County, (Incorporated) and Omicron Chi Omega certainly appreciate all of your efforts and the opportunity to work with each of the participants as they "Step Into The Future."

If you have any questions, please feel free to contact us.
